

The Scene

Two young orphans in an orphanage

Characters: Molly & Annie

Annie: Good night everyone and please try to be quiet before Mrs. Hannigan wakes up and makes us clean all over again

Molly: Annie, do you really believe your parents are out there?

Annie: Of course I do Molly. I know it in my heart.

Molly: What do you think they are like?

Annie: I imagine they live in a big house with a big yard and they have a fluffy dog. They are nice, funny, smart and they love each other very much.

Molly: They sound perfect, tell me more.

Annie: My mom has red hair like me but not as curly, hers is wavy. She is an artist and paints pictures all over the world. My dad he is a business man and wears a suit to work.

Molly: (yawns) A suit wow he sounds fancy.

Annie: Nope even though they have a big house they aren't fancy. They volunteer their time and give to the poor and even give presents to kids at Christmas time.

Molly: I miss presents Annie.

Annie: Me too Molly, now you better fall asleep it will be morning soon

Molly: Good night Annie

Annie: Good night Molly and trust me I know my parents will find me someday.
